Strawberry FESTIVAL

The Town of Fort Mill is excited to present the

South Carolina Strawberry Festival

Since 2010, the South Carolina Strawberry Festival has celebrated the charm of Historic Fort Mill while bringing together residents, friends, and visitors for a fun, safe, and family-friendly experience.

In the weeks leading up to the festival, a variety of community events build excitement throughout the town. These festivities include the annual Little Miss, Teen, Miss, and Ms. Strawberry Pageants and the Captain's Choice Strawberry Festival Golf Tournament. Additional highlights include the Strawberry Sprint & Stroll 5K, hosted by Fort Mill Economic Partners, and the Strawberry Soirée, presented by the Fort Mill History Museum.

During the festival, attendees can enjoy live music, children's entertainment, delicious food, exciting rides, unique vendors, and special exhibits. Be sure to catch the fan-favorite strawberry ice cream and donut-eating contests—always a hit with guests of all ages!
